## **INSTRUCTIONS**

**WHO MAY FILE.** The Exemption Application, Form 1027, may be filed by a beginning farmer or a beginning livestock producer who has been certified by the Beginning Farmer Board.

A certificate from the Beginning Farmer Board stating that the applicant meets the criteria necessary to claim an exemption of taxable agricultural and horticultural machinery and equipment must be attached to this application.

**WHEN AND WHERE TO FILE.** The Form 1027 must be filed with your county assessor on or before December 31 of the year preceding the year for which the exemption is to begin. Missing the filing date or failure to provide the required certificate will result in denial of the exemption for the following year.

**PROPERTY WHICH IS EXEMPT.** Any beginning farmer or beginning livestock producer who qualifies may have no more than \$100,000 of taxable agricultural or horticultural machinery and equipment value exempted from personal property tax each year for three years. The applicant must also file a personal property return with the county assessor on or before May 1 of each year to receive this exemption.
